

Continuing Education Classes In Wilkes and Yadkin Counties

The North Carolina Licensing Board for General Contractors (the Board) approves all providers, instructors and elective courses for the continuing education requirement for general contractors pursuant to G.S. 87-10.2.

Wilkes-Yadkin Home Builders Association immediate past-president Gary Hayes will be conducting at least four State approved (in person) Continuing Education classes in 2023.

Courses

- 8 hours of CE must be completed in order to renew a license by at least one qualifier for licensees in the license classifications of Building, Residential and Unclassified. For the Unclassified license, it shall be the qualifier who has passed the Building examination.
- The 8-hour course requirement includes a mandatory 2-hour course produced by the Board with information about changes in the laws and rules and other content applicable to general contracting.
- The remaining 6 hours will be elective courses produced by outside providers, submitted to and approved by the Board.
